Forecast for Tuesday 07 Mar 2023

Weather: Overcast during the morning with patchy snow and rain, which soon clears away. Mostly dry for the rest of the day, with the occasional light snow shower moving in from the north through the afternoon. Some brighter spells developing into the late afternoon, becoming dry. Snow level 400m lowering to all by mid-morning.

Chance of cloud-free hill tops above 600m: 20% at dawn becoming 80% for the afternoon.

Low cloud and visibility: Good or very good visibility for much of the day, becoming moderate or poor in early rain, very poor in snow and within cloud with bases extensive from 400m at first, infrequently so for the afternoon.
